LIMITED LIFETIME WARRANTY

Baja Designs proudly offers a LIFETIME WARRANTY against manufacturer's defect on all the products that we manufacture.

These are comprehensive warranties; other than the exclusions below – you're covered. If your LED or HID bulb burns out, you're covered. Additionally, cutting off our connector or changing your lenses does not automatically void your warranty.

Exclusions:

Installation errors, abuse, misuse or crash damage. You must be the original owner of the product and can supply proof of purchase.

Baja Designs manufactures its own products as well as resells products manufactured by others. Baja Designs makes no express or implied warranties on products not manufactured by Baja Designs including without limitation any warranties or merchantability and fitness for a purpose. We will however, pass on all warranties made by the manufacturer, who has sole responsibility for performing such warranties.

Baja Designs will pay the freight if your product is less than 90 days old, otherwise defective products must be returned to Baja Designs, Inc., freight prepaid. At our option, we will repair or replace items in question and return them at no charge. If the identical product is no longer available, we will replace with a similar product of equal value. Baja Designs Inc. will not be responsible for any indirect or consequential damages in connection with defective merchandise. Items purchased through a Baja Designs authorized dealer must be returned through the dealer. Only available on LED auxiliary lights and product must be in sellable condition at MSRP. Product that has been damaged in any way after the original purchase date will be excluded from this guarantee.

Indemnification:

Buyer hereby acknowledges off-roading, racing and driving at night are dangerous activities and that the products and/or supplies purchased from Baja Designs are used in an inherently dangerous activity that may endanger life and limb; and in no event shall the seller, or seller's heirs and assigns, be held liable for consequential damages, nor shall seller's liability on any claim for damages arising out of or connected with the sale, delivery, or use of purchased products and/or supplies exceed the purchase price of the products and/or supplies.

Mounting Point Closeup

Installing your brackets:

Installation of the brackets is as follows; for each bolt place a washer on it, insert bolt and washer into bracket then through frame, install second washer onto bolt sandwiching the frame gusset between bracket and washer and install locknut. Tighten bolts and locknuts before installing RTL light.

Installing your RTL:

Slide hex head of the ¼-20 bolt into the channel on the RTL's housing then insert ¼-20 bolt into brackets from the rear of vehicle. Place the washers onto the bolts on the vehicle's front facing side of the brackets and thread on the ¼-20 locknuts. Center light from left to right and snugly tighten locknuts to the bracket.

Optional vehicle specific, plug and play, wiring solutions for your RTL may be purchased from *Baja Designs*.

For any RTL besides RTL-s, the Baja Designs wire harness part number is: 64-0116

For RTL-s, the Baja Designs wire harness part numbers are: 64-0111 & 64-0116 (this light requires two wire harnesses since it has two power cords)

Disclaimer: This kit is only intended for use with full size RTL light bars (not RTL-m) 2 seat Polaris RZR 1000 with factory roll cage and factory Polaris plastic or Polaris aluminum roofs or with no roof at all.
