

HUSKY **WeatherBEATER™** **Custom Vehicle Floor Protection**

CARE AND USE INSTRUCTIONS

Thank you for selecting a WeatherBeater® Trunk Liner from Winfield Consumer Products. Your new cargo liner is custom molded to fit your Cadillac SRX. Upon removal from the box your liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the trunk of your vehicle with a weight in each corner (a book works well). After about 15 minutes, your liner will remain flat. In colder climates this “relaxing” may take longer; moving the liner to a heated area will accelerate the process.

Your liner is manufactured using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liner slick.

INSTALLATION INSTRUCTIONS FOR YOUR CADILLAC SRX CARGO LINER

YOUR CARGO LINER IS DESIGNED TO FIT WITH THE 2ND ROW SEAT BACKS ADJUSTED TO THEIR MOST UPRIGHT POSITIONS. PLEASE MOVE THE SEATS TO THIS POSITION BEFORE INSTALLING. ONCE THE LINER IS INSTALLED, THE SEAT BACKS CAN BE ADJUSTED.

YOUR SRX CARGO LINER DOES NOT ACCOMMODATE THE USE OF OPTIONAL “U-RAIL” SYSTEM WHEN INSTALLED. THE CARGO HOOKS CAN EASILY BE ACCESSED WITH THE LINER IN PLACE BY SIMPLY TRIMMING AWAY THE RECESSED AREAS LOCATED DIRECTLY IN FRONT OF THE HOOKS. A UTILITY KNIFE OR SCISSORS WORK WELL FOR TRIMMING.
